**My Dear Indira,**  
I do not have the e-mail address of K.R.Rao. Radha joins me in wishing him many more healthy, happy and useful years of life. Our congratulations to you and both the children and their families in arranging a good function to mark his entry into the super senior category of citizens.

Presently, Radha and I are in Hyderabad to attend an upanayanam of Radha's sister's Grand son, who is from Atlanta. It is only an excuse to meet the near and dear. I also met Vasantha and she is OK.

Yours affly,  
RAJA

My Dear Indira,

I am thrilled to know that your children, son in law , daughter in law and all the grand children will be getting together to celebrate Baava Gaaru's 80th Birth Day in your city.

Thanks a lot for the invitation. I pray, everything goes off as well as you plan and expect --- and becomes a landmark celebration of his life.

I felt like that about my Shashti Poorti , planned and executed by my son in law Ravi and Pallavi, at SLC on 3rd Jan 2013.

Incidentally, Jyoti and I completed 36 years of married life today, Monday, 20 May 2013.

Love

Hari

Dear Attayya and Uncle,

This is great news to hear that a special birthday celebration is being performed by Uma, Ishu, Sunder and Charlotte. That is really a wonderful gesture. I would have loved to be there but traveling right now is a little hard with Gowri.

Hope the function goes off well. It would be great if you could share some pictures/videos of the event.

Happy 80th birthday again Uncle!!! I called last weekend to wish you personally and also wish attayya a happy Mother's day. I was not sure if you saw my message. Good luck with the preparations for the event.

Love,  
Pallavi
